Give others the tools to create positive change and live meaningfully. This degree provides a broad overview of many areas of human services, and builds knowledge and capacity for various roles in community welfare and social justice. Importantly, this degree forms a strong grounding in the principles of social equity and anti-oppressive practice, which are foundational to the field.

In this program you will:

- Gain exposure to the theory and values of human services practice and develop practical skills to ensure your success
- Extend your understanding of the nature of contemporary society, and individual, family and community behaviour
- Learn to critically analyse social problems, and intimately understand Australian social welfare
