

Diploma in Education Studies (Primary)

LOCATION	ENTRY THRESHOLD	QTAC CODE	START
Online	60.00	015731	Semester 1
Fraser Coast	60.00	019902	Semester 1

Want to work in primary schools? This Diploma teaches the skills and knowledge needed to work with primary school-aged children as a teacher aide, learning support officer or in after-school care. In the process, you'll learn how to develop positive relationships that promote children's sense of agency, safety and wellbeing.

In this program you will:

- Develop specialised knowledge and skills for employment with school-aged children age in school and out-of-school care contexts
- Learn to design creative, intentional teaching practices using language, play and cooperation
- Learn about child development, curriculum development, diversity and inclusion, and relevant legislation and guidelines
- Complete 40 days of professional experience placement

Career opportunities

- Teacher aide
- Teacher educator
- Learning support
- Outside school hours care
