Leverage an existing degree to vie for bigger roles, interesting challenges, more money, and the opportunity to lead and change organisations.

In this program you will:

- Concentrate on developing skills in four main areas of management: accountancy, economics, marketing, and organisational behaviour
- Learn to read and understand key data and other business information and feel confident about your ability to lead an organisation
- The program is delivered in practical settings to increase your executive decision-making capability
- Gain this qualification in as little as four months. Complete it online, if you choose.
