Online	Session 1, Session 2, Session 3, Session 5, Session 6, Session 7
Moreton Bay	Session 2, Session 3, Session 5, Session 6, Session 7, Session 1

Increase and deepen your range of management skills. This program covers the latest trends and influences in business and builds on your skills in critical thinking and analysis.

In this program you will:

- Learn in a team environment where you and the other program participants share real-life management challenges and application of problem-solving skills
- Complete six courses in the fundamentals of accounting, economics, corporate finance, strategic management and marketing. Then choose six interest topics, including international trade and finance, entrepreneurship, global business management, and research
- Apply your new skills in your current job and complete the MBA flexibly either on campus or online
