I wish to support the following priority area:

- University initiatives (unrestricted)**—provides the Vice-Chancellor with flexibility to support key opportunities from year to year, such as special student needs, academic support and emerging research.
- Scholarships**—supports the Chancellor's Scholarships, which help USC retain and attract the brightest minds to the Sunshine Coast.
- USC Study Support Bursary**—supports students who are working excessive hours in paid employment so that they may dedicate time to their studies.
- Campus enhancement**—supports building a unique learning environment with beautification projects such as artwork, landscaping and new facilities.
- Research**—helps ease financial barriers to cutting-edge research, allowing students and academics to make discoveries that put USC on the map and enhance our region and world.
- Art Gallery**—supports the Gallery's annual exhibition program focusing on contemporary Australian art and design.
