

# ADVANCED STANDING 2008 University of the Sunshine Coast

## A guide for students from **REPUBLIC POLYTECHNIC**

## Articulation Pathways

This document is a guide to advanced standing/credit transfer for graduates from Singapore Republic Polytechnic seeking entry to degree programs at USC.

USC recognises the high standard of education offered at Singapore Republic Polytechnic and welcomes the opportunity to provide a pathway to further education for Diploma graduates.

The following tables provide information on:

- **The specific Singapore Republic Diploma pathways**
- **Levels of Advanced Standing/Credit Transfer**

The amount of advanced standing/credit transfer awarded

8 courses awarded = 1 year advanced standing

12 courses awarded= 1.5 years advanced standing

16 courses awarded= 2 years advanced standing

- **Duration of Study at USC**

The length of time to complete the bachelor degree at USC after advanced standing is awarded

- **Semester of Entry**

When is it possible to commence at USC; Either Semester 1 (February) and/or Semester 2 (July)

- **Course Details at USC**

The courses you will need to complete at USC

- **Recommended Enrolment Patterns**

The recommended way in which to complete the required courses.

**NOTE:** In general advanced standing has been granted for 12 courses from Diploma studies at Singapore Polytechnic into USC Bachelor degrees. A Bachelor degree from USC is normally 3 years in duration. Twelve courses advanced standing equals 1.5 years. Students can normally complete their studies at USC in an additional 1.5 years but this may be extended by a further semester of study depending on recommended enrolment patterns available.
