The best of both worlds

www.usc.edu.au/international

University of the Sunshine Coast (USC) offers the best of both worlds - excellent education and a wonderful lifestyle.

USC is known for its excellent student experience, first-class support services, professional teaching staff and high-quality programs.

Located just north of Brisbane on the Sunshine Coast, the 100-hectare campus has award-winning architecture and is an official wildlife reserve.

USC is Australia's most modern and fastest-growing public university. With almost 8,000 students and excellent educational and sporting facilities, it offers a unique Australian campus experience in a great location.

Study Abroad, undergraduate and postgraduate programs are available in Business, Communication & Design, Education, Engineering, Health, Humanities, Sciences and Social Sciences.

Study Abroad

The Study Abroad program (1 or 2 semesters) allows you to study courses from a range of disciplines at USC.

It provides you with the opportunity to experience Australian lifestyle while studying on a university campus and adds an international perspective to your home qualification.

The Study Abroad program allows you to:

- Earn credit towards your home degree
- Choose from a wide range of courses
- Pre-register your courses online before you arrive
- Utilise excellent academic support services
- Receive a Study Abroad Certificate upon successful completion

Undergraduate Study

USC's undergraduate programs aim at giving you the skills to start a successful career or profession in your area of interest.

Bachelor programs are usually 3 years of full-time study (4 years in some programs). There are also Associate Degrees in Business, Science and Arts (2 years).

Postgraduate Study

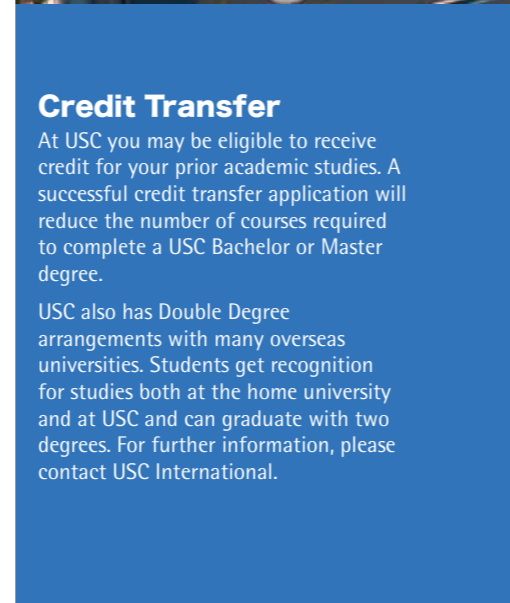

USC also offers a wide range of postgraduate coursework programs (e.g. Graduate Certificate, Graduate Diploma and Master by coursework) as well as higher degrees by research (e.g. Master and PhD).

Academic English

USC offers Academic English language programs (10-20 weeks), which are excellent preparation for university studies.

Programs are offered at an intermediate or upper intermediate level and develop your reading, writing, listening and speaking skills so that you can succeed in your further studies.

Upon successful completion of the Advanced Academic English program (DEEP 2), you will satisfy the minimum English language requirement for entry into USC's Study Abroad program, some undergraduate and postgraduate programs.

Credit Transfer

At USC you may be eligible to receive credit for your prior academic studies. A successful credit transfer application will reduce the number of courses required to complete a USC Bachelor or Master degree.

USC also has Double Degree arrangements with many overseas universities. Students get recognition for studies both at the home university and at USC and can graduate with two degrees. For further information, please contact USC International.

Why study at USC

- ✓ Quality educational experience
- ✓ 5 star rating for teaching quality (Good Universities Guide 2011)
- ✓ A wide range of academic programs on a modern campus with excellent facilities
- ✓ Free Overseas Student Health Cover (OSHC)*
- ✓ UniClub and Student Support Services
- ✓ Easy Access to Coast centres and Brisbane – Bus terminal on campus
- ✓ Excellent student accommodation next to campus

Educational Experience

USC offers a wide range of study opportunities with degrees at both undergraduate and postgraduate level. With credit transfer and recognition of prior studies you may also be eligible to complete your degree in a shorter time period.

USC campus

The University's 100-hectare campus is located in the heart of the Sunshine Coast. Distinctively designed, the award-winning buildings include cafeterias, an art gallery, an expansive library, bookshop, 24-hour computer labs, as well as lecture theatres and teaching spaces. Wifi is also available throughout the campus. Wildlife, including eastern grey kangaroos, roam freely around the grounds.

At USC you can enjoy a true Australian campus experience where around 90% of the students are Australian.

USC has a major transport hub on campus, so it is easy to travel by public transport to the beaches and coastal towns or connect to the rail service to Brisbane.

Sport and Recreation

The USC Sports Precinct is centred around the Health and Sport Centre and adjoining indoor sports stadium.

Facilities include:

- fitness centre and gymnasium
- sports stadium (netball, basketball, volleyball, badminton and futsal)
- Olympic-standard athletics track
- sports fields (rugby and soccer) as well as outdoor hardcourts (tennis, basketball and netball)
- Olympic-size swimming pool
- UniClub: The UniClub is a great place to study, meet friends or relax between classes. It is also the centre for all university clubs and societies and a good place to find out what is happening on and around campus.

Value

USC's tuition fees cover many extra costs that may be charged at other universities. USC does not charge capital and development levies, lab fees or internet and technology fees. There are no application or administration fees for the Study Abroad, undergraduate or postgraduate programs.

FREE OVERSEAS HEALTH COVER INSURANCE (OSHC)*
USC provides free, single cover OSHC and also does the insurance paperwork for you.

Five star ranking by the Good Universities Guide

USC is Queensland's top-ranking public university for teaching quality and graduate satisfaction* as well as being ranked 1st in Australia for student safety.†

International Student Services

Our specialised International Student Services provide you with valuable help and support before your arrival and throughout your studies at USC.

Once you arrive, you will have access to:

- a comprehensive orientation program
- learning support and study skills workshops including individual consultations and support
- free English language support in the first semester if English is not your native language
- friendly staff who are happy to help you
- confidential counselling and other support services

Lifestyle

High-quality student accommodation is conveniently located next to USC. Each student has his/her own private bedroom and bathroom with shared access to modern kitchen and living areas. Facilities include swimming pools, tennis courts and other sporting and recreational facilities.

The USC campus is located on the Sunshine Coast, an area famous for its climate, beaches and relaxed outdoor lifestyle. There are good reasons why people like to live, work and study on the Sunshine Coast!

Brisbane is only one hour away by car and Sydney or Melbourne are easily reached by budget airlines with direct flights from the Sunshine Coast airport or from Brisbane airport.

* Good Universities Guide 2011
† 2010 Graduate International Student Barometer
* Overseas Student Health Cover (OSHC) is compulsory for all students in Australia on a student visa. Free OSHC is only offered with USC's preferred provider. Excludes Exchange and Academic English programs.

Study at USC

Study Abroad

You can select from a comprehensive range of courses and design your program to suit your own individual requirements and those of your home university.

EARN CREDIT TOWARDS YOUR HOME DEGREE

Ask your home university for approval for your studies at USC and then transfer the course credits you earn at USC towards your home degree.

CHOOSE COURSES FROM ACROSS ALL FACULTIES

At USC you can choose from a range of courses from the following discipline areas: Biomedical Sciences, Business, Communication, Design, Engineering, Education, Environmental Sciences, Health and Sports Sciences, Humanities, Information Technology and Social Sciences.

ENROL IN COURSES WITHOUT PRE-REQUISITES

A pre-requisite is an academic requirement (usually another course or grade) that proves a level of knowledge before you are allowed to register in a course.

At USC we have a number of courses which do not require pre-requisites. When you choose one of these courses in your study plan it makes the process very simple. Courses without pre-requisites are available across most disciplines.

If you choose a course which does require a pre-requisite, we help you with the process when you apply and ensure that you have the best chance of gaining acceptance for your chosen course.

PRE-REGISTER IN YOUR COURSES PRIOR TO ARRIVAL

At USC you have the advantage of registering online with the first round of Australian students. This allows you to select your timetable prior to arrival and helps you get the best class schedule possible.

Undergraduate

A Bachelor degree from USC provides you with the skills and knowledge to start a successful career or profession.

Bachelor programs are usually 3 years of full-time study (4 years in some programs). There are also Associate Degrees in Business, Science and Arts (2 years). You can also use your prior studies to apply for credit transfer and you may be eligible to finish your USC degree earlier.
