To commence field education placement you must:

- Hold a valid Blue Card, throughout the duration of your program, issued by the Commission for Children and Young People and Child Guardian (CCYPCG). You should allow 12 weeks for CCYPCG to issue the card. Note: students who do not possess a valid Blue Card will be unable to complete the field education component of their program and will be unable to meet graduation requirements
- Have a National Criminal History check (by Queensland Police Service or other state/territory authority)
- Be willing to travel to attend field education placements
- Please note, while every endeavour will be made to place students for field education placements in a given semester, this is not guaranteed, and students may need to enrol at a later time should a position at an agency be unavailable in the preferred semester
- Visit Education - Professional Experience (PEX) for more information regarding requirements for placements
- *It is no longer a requirement that students in Bachelor of Education (Early Childhood) are fully vaccinated against COVID-19.*

*Please note that some placement host organisations have chosen to continue requiring COVID-19 vaccination. If you are not fully vaccinated, it is important to know that placement opportunities in your program may be limited and may result in a delay to your placement.*

*UniSC still strongly recommends that all students undertaking placement are fully vaccinated and provide evidence of this vaccination status to the University.*
