- Choose from a range of disciplines for secondary teaching areas
- Graduate eligible to register with the Queensland College of Teachers

Career opportunities

- Teacher in secondary schools
- Outdoor leader
- Outdoor guide
- Sports coach
- Outdoor recreation officer
- Environmental interpretation guide
- Adventure tourism guide
- Ecotourism guide

Post admission requirements

Students complete 80 days of Professional Experience, completed as full-time blocks as program approved. The majority of Supervised Professional Experience is completed in a Queensland school. Students must undergo a criminal history check and obtain a Suitability Card before the first workplace experience, refer to institution.

Students must complete and pass the Australian Government's Literacy and Numeracy Test for Initial Teacher Education students. More information on the test, including sample test questions and registration information, please visit the Australian Council of Educational Research website.

This program includes physical components, including travel to off-campus locations. Students with a disability, medical condition or any concerns that might impact your participation in some of the practical components, please contact the program coordinator to discuss your options.
