

Bachelor of Environmental Management

LOCATION	ENTRY THRESHOLD	QTAC CODE	START
Sunshine Coast	50.00	013211	Semester 1, Semester 2
Moreton Bay	50.00	014761	Semester 1, Semester 2

Learn to minimise human impacts on the environment, manage resources sustainably, and conserve and restore habitats, biodiversity and ecosystem services. Choose a minor to specialise in such as coastal and marine environments, urban design and town planning, global environmental security and policy, geospatial analysis, and sustainability.

In this program you will:

- Learn the skills and strategies to manage environment issues at local, regional and global scales
- Develop the ability to communicate complex information to inform and engage stakeholders
- Participate in lab and field work
- Obtain specialist knowledge aligned to your interests in environmental management
- Complete a work placement or advanced research project to jump start your career

Career opportunities

- Environmental assessment and protection (air, water, land)
- Natural resource management
- Sustainable procurement and corporate stewardship
- Environmental education
- Policy and legislation development
- Research and development of environmental technologies

Duration

3 years

Full-time or equivalent part-time

Indicative 2024 fees

A\$11,710 - 2024 Fees (CSP)

Fees are indicative only and will change based on courses selected and are subject to yearly increases

Recommended prior study

English; Maths Methods or Specialist Maths ; and at least one science subject

Delivery mode

Blended Learning

Total courses

24

Total units

288

UniSC program code

SC319

Program structure

Introductory courses (5) 60 units

ENS103 Earth's Surface Processes

ENS120 Introduction to Environmental Management

SCI102 Biodiversity and Ecology

SCI110 Science Research Methods

SUS101 Foundations of Sustainability

Developing and Graduate courses (11) 132 units

ENP211 Planning and Environmental Law

ENS204 Climate Change Mitigation and Adaptation

ENS221 Plant Diversity and Ecology

ENS223 Environmental Impact Assessment

ENS253 Geographic Information Science and Technology

SUS201 Advancing Sustainability: Planet, People and Prosperity

PUB262 Environmental Health Risk Management

ENS300 Environmental Economics
