Master of
Psychology (Clinical)

UniSC

LOCATION	START
USC Thompson Institute	Semester 1
Sunshine Coast	Semester 1

Meet the requirements for registration as a psychologist. Learn at the Thompson Institute, a world-class hub for mental health research, teaching and clinical services, close to the Sunshine Coast University Hospital. The Institute addresses mental health in the community, particularly for youth, adolescents and older community members.

In this program you will:

- Complete three major components—coursework in professional and clinical psychology, supervised practicum placements, and a research project and thesis
- Participate in placements involving supervised working as a provisional psychologist, in numerous settings, beginning in the University's Psychology Clinic
- Review relevant literature, design and conduct a study, data collection and analysis, and prepare a thesis

Career opportunities

- Psychologist
- Private health sector
- Public health sector
- Non-government organisations

Accreditation

Accredited by The Australian Psychology Accreditation Council (APAC). Graduates of the Master of Psychology (Clinical) are eligible to apply to the Psychology Board of Australia (PsyBA) for general registration via the Australian Health Practitioner Regulation Agency (AHPRA).
