

1. Purpose of guidelines

To transparently communicate to applicants how their application for a HDR Scholarship at USC will be assessed. Applicants are encouraged to refer to this document and to the relevant HDR Scholarship advertisement on the USC website when preparing their application. The HDR Scholarships Selection Panel will use these Guidelines to assess all applications for HDR Scholarships.

2. Eligibility criteria

Applications that do not meet the eligibility criteria will not be assessed by the HDR Scholarship Selection Panel.

2.1 All HDR scholarships

- Be accepted into a Higher Degrees by Research program at the University of the Sunshine Coast
- Not have an equivalent qualification to the one for which they are currently applying
- Have a First-Class Bachelor Honours Degree, or show equivalent level of achievement with other academic qualifications or professional research experience

2.2 Additional for Research Training Program Stipend Scholarships

- Must not be receiving income from another source to support that student's general living costs while undertaking their course of study if that income is greater than 75 per cent of that student's RTP Stipend rate. Income unrelated to the student's course of study or income received for the student's course of study but not for the purposes of supporting general living costs is not to be taken into account.

2.3 Additional for Topic-specific HDR scholarships

Some HDR scholarships will have additional eligibility criteria. These will be published in the advertisement on the USC website.
