Assessment Task 2: Differentiated Lesson Plan

Goal:	The goal of this task is to develop a lesson plan which demonstrates your ability to differentiate for a range of diverse learner needs in your class.
Product:	Lesson Plan for different learner needs.
Format:	<p>Prepare a 45-minute lesson plan in your specialisation that includes strategies for catering for individual learner needs. You must demonstrate your knowledge of research and legislation for individual learner needs by incorporating differentiated practices (eg learning goals, strategies, resources and assessment adjustments) for the full range of abilities (physical, social and intellectual), to cater for literacy and numeracy needs, and to manage challenging behaviours. Include PCK for your specialisation, and safe and ethical use of ICT resources for students, and consider the involvement of parents/carers in your planning. Embed appropriate types of feedback to students in the lesson.</p> <p>Your lesson plan must include an evaluation section at the bottom in which you justify the choices, differentiation and classroom management strategies you have used. In addition, you will include identification of your professional learning needs in regard to this course and APST 4.3, 6.1, 6.2, 6.37.1, 7.2, 7.3, 7.4.</p>
Criteria:	<ol style="list-style-type: none"> 1. Applied knowledge and understanding of educational research and legislation evident in lesson planning. 2. Implementation of engaging teaching strategies (pedagogical knowledge for your specialisation) and (formative) assessment processes for student learning. 3. Evidence of inclusion, differentiation and classroom management strategies, including challenging behaviour and the use of ICT and parental involvement where appropriate. 4. Evaluation of the lesson plan and your professional learning needs. 5. Written communication skills and academic literacies including grammar, English expression, APA referencing conventions, and technical accuracy.

Assessment Task 3: Professional Presentation: Assessing Student Learning Needs

Goal:	The goal of this task is to work collaboratively with colleagues to discuss, negotiate and formulate appropriate plans for action to support students with individual learning needs in a provided scenario.
Product:	Professional Presentation: Assessing Student Learning Needs
Format:	<p>Using the scenario provided, you are required to make a presentation to the school's Student Support Team for consultation and collaboration on future support plans for your class. You will work individually (or collaboratively with one or two other pre-service teachers) to:</p> <ul style="list-style-type: none"> • identify the individual backgrounds and needs of the students in your class as a whole and 2 specific students with additional needs. • suggest interventions that you propose will be necessary to support your range of students (eg. in literacy, numeracy, physical, social, intellectual, behaviour, ICTs), and how these will be trialled and evaluated. • Identify the key stakeholders you believe should be involved in specific interventions (including internal personnel and Advisory Visiting Teachers). • outline your communication strategy with all stakeholders including working effectively, sensitively and confidentially with parents/carers. • summarise and interpret assessment data/evidence and how you will use this for planning. • propose adjustments to possible assessment and how these might be moderated. • suggest strategies for transitioning your students into the next phase of schooling or work (if needed). • provide guidelines for future staff who will be working with your students and suggestions for future professional development that may be required to effectively cater to perceived needs. • Explicitly identify legislative requirements and teaching strategies that support participation and learning of students with disability/learning impairments.

	<p>The presentation: You are to upload a 2-page written summary of the key points of your presentation to Blackboard by Monday, 9 am, Week 9 and provide your tutor with a copy on the day of your presentation. <i>Information should be referenced with current literature, legislation and learning theories.</i></p> <p>You, (or you and your partner/s), will present your class to the Student Support Team (your tutorial class) in either Week 9 or 10 tutorial (to be negotiated with your tutor) for feedback and suggestions on future action plans.</p>
Criteria:	<ol style="list-style-type: none"> 1. Knowledge and understanding: inclusive and ethical practices support individual and community needs (including research and documentation of legislative requirements and teaching strategies that support student participation and learning). 2. Application of skills: interprets, integrates, adapts learning and assessment for individual needs in a given scenario that contain a range of challenging issues. 3. Collaborative skills: working effectively, sensitively and confidentially with parents, support team and other internal and external parties (listening, responding, questioning, engaging with feedback). 4. Oral communication skills: presents key ideas in a synthesised manner using inclusive language and effective time management.

Assessment Task 4: Professional Reflections

Goal:	This task allows you as a Pre-service Teacher to document and reflect on your wider field experience (WFE) and reflect on how this relates to improving your practice to meet individual learner needs. You will also further develop your teaching philosophy through weaving these reflective practices with your theory-based curriculum.
Product/s:	WFE Reflections and Philosophy selfie
Format:	Completed WFE evidence log and reflections relating to meeting individual learner needs on template provided with a 5 minute video selfie of your reflections and evolving teaching philosophy.
Criteria:	<ul style="list-style-type: none"> • Completion of WFE documentation • Demonstrate knowledge and understanding through reflecting on experiences and how they inform your practice to meet individual learner needs • Linking theory and practice through a teaching philosophy • Written communication skills and academic literacies including grammar, English expression and technical accuracy

Assessment Task 5: SPE Report and e-Portfolio

Goal:	The goal of this task is to engage in learning and teaching experiences in schools related to one of your teaching areas.
Product:	A Supervised Professional Experience Report and ePortfolio.
Format:	<p>You will engage in 20 days of Supervised Professional Experience. During this time you will undertake teaching, observations and reflections of learning and engage with the school community to explore professional practice. During this professional experience, you will be focussed on developing your ability to design learning experiences that support diverse learners and developing your skills at managing the learning of individuals, small groups and the class as a whole group. You will also develop strategies to involve parents and carers as appropriate.</p> <p>In addition, you will complete the Pre-service Teacher Professional Profile (located in your SPE Handbook), have professional conversations and obtain feedback about your progress against the APST at the beginning and the end of your placement period. Your reflections should also include how you have responded to supervisor feedback and how this impacts on your professional development.</p>

Criteria:	<p>Supervised Professional Experience Report form (see SPE Handbook)</p> <ol style="list-style-type: none"> 1. Application of knowledge of lesson planning: individual, small group and whole class. 2. Application of knowledge of differentiation strategies. 3. Facilitation of student engagement and participation in learning. <p>e-Portfolio</p> <ol style="list-style-type: none"> 4. Identification of professional development needs and goals. 5. 9. Risk management

Health and safety risks for this course have been assessed as low.

It is your responsibility as a student to review course material, search online, discuss with lecturers and peers, and understand the health and safety risks associated with your specific course of study. It is also your responsibility to familiarise yourself with the University's general health and safety principles by reviewing the online Health Safety and Wellbeing training module for students, and following the instructions of the University staff.

10. What administrative information is relevant to this course?

10.1 Assessment: Academic Integrity

Academic integrity is the ethical standard of university participation. It ensures that students graduate as a result of proving they are competent in their discipline. This is integral in maintaining the value of academic qualifications. Each industry has expectations and standards of the skills and knowledge within that discipline and these are reflected in assessment.

Academic integrity means that you do not engage in any activity that is considered to be academic fraud; including plagiarism, collusion or outsourcing any part of any assessment item to any other person. You are expected to be honest and ethical by completing all work yourself and indicating in your work which ideas and information were developed by you and which were taken from others. You cannot provide your assessment work to others. You are also expected to provide evidence of wide and critical reading, usually by using appropriate academic references.

In order to minimise incidents of academic fraud, this course may require that some of its assessment tasks, when submitted to Blackboard, are electronically checked through SafeAssign. This software allows for text comparisons to be made between your submitted assessment item and all other work that SafeAssign has access to.

10.2 Assessment: Additional requirements

Safe Assign:

In order to minimise incidents of plagiarism and collusion, this course may require that some of its assessment tasks are submitted electronically via Safe Assign. This software allows for text comparisons to be made between your submitted assessment item and all other work that Safe Assign has access to. If required, details of how to submit via Safe Assign will be provided on the Blackboard site of the course.

Limited Graded Course:

This course will be graded as Pass in a Limited Grade Course (PU) or Fail in a Limited Grade Course (UF) as per clause 4.1.3 and 4.1.4 of the Grades and Grade Point Average (GPA) - Institutional Operating Policy of the University of the Sunshine Coast.

In a course using Limited Grades, all assessment tasks relating to a work integrated learning (WIL) activity or a professional competency (PC) task are required to be passed for a student to successfully complete the course. Supplementary assessment is not available in courses using Limited Grades.

Unless otherwise indicated assessment tasks are completed and submitted by the individual student.

Submission penalties:

Penalties may apply for late submission of assessment tasks. You must contact your course coordinator if you require an extension or alternate assessment.

10.3 Study help

In the first instance, you should contact your tutor, then the Course Coordinator. Additional assistance is provided to all students through Academic Skills Advisers. To book an appointment or find a drop-in session go to [Student Hub](#). Contact Student Central for further assistance: +61 7 5430 2890 or studentcentral@usc.edu.au
