

Learning and Teaching Grants, Awards and Fellowships - Academic Policy

/explore/policies-and-procedures/learning-and-teaching-grants-awards-and-fellowships-academic-policy

1. Purpose of policy

This policy establishes the roles and responsibilities of University staff:

- for application and nomination approval, management and dissemination of outcomes for internal and external learning and teaching grants, awards and fellowships
- for financial management and acquittal of internally and externally funded learning and teaching projects and fellowships, and
- for disbursement of internal or external award monies.

2. Policy scope and application

This policy applies to all staff of the University.

3. Definitions

Please refer to the University's Glossary of Terms for policies and procedures.

4. Policy Statement

4.1 Principles

(a) The University of the Sunshine Coast will value and support outstanding teaching and encourage staff to undertake scholarly work and develop and disseminate significant innovations related to learning and teaching with the ultimate goal of enhancing student learning and contributing to the higher education sector.

(b) The University of the Sunshine Coast will aim to foster a culture that recognises and rewards excellence and innovation in Learning and Teaching. To this end, the University is committed to increasing staff engagement with internal and external grants, awards and fellowship programs and services as an important strategy to build sustained staff capability in the scholarship of learning and teaching.

(c) The Director, Centre for Support and Advancement of Learning promotes, supports and monitors internal and external learning and teaching grant applications, award and fellowship nominations and subsequent funded projects or initiatives.

(d) Academic or Professional staff who manage funded projects or initiatives will act as champions and disseminate project outcomes and promote good practice and innovations in learning and teaching to enhance student learning and the student experience at USC and in the sector more widely.

4.2 Internal conditions

(a) The Deputy Vice-Chancellor (Academic), on advice from the Pro-Vice Chancellor (Students), Heads of School and the Director C-SALT, will determine grant priorities in line with the University's strategic objectives.

(b) Applications for internal grants and nominations for awards and fellowships must be peer reviewed, unless an exemption has been approved by the Deputy Vice-Chancellor (Academic).

(c) The Head of School will authorise applications for internal grants or nominations for USC awards and fellowships.

(d) The Deputy Vice-Chancellor (Academic) will approve applications for internal grants or nominations for USC awards and fellowships, or alternatively at the discretion of the Deputy Vice-Chancellor (Academic) a selection panel will be convened to assess applications.

(e) Successful applicants or nominees who are recipients of grant funding or award or fellowship monies should comply with the Australian Code for the Responsible Conduct of Research.

4.3 External conditions

(a) Applications for external grants and nominations for awards and fellowships must be peer reviewed, unless an exemption has been approved by the Deputy Vice-Chancellor (Academic), in order to strengthen the quality of submissions.

(b) The Head of School will authorise applications for external grants or nominations for external awards and fellowships.

usc.edu.au/policy

(c) The Deputy Vice-Chancellor (Academic) or the Vice-Chancellor and President will approve applications for external grants or nominations for external awards and fellowships.

(d) The Grants and Awards Officer will be the designated institutional contact for all grant applications and award and fellowship nominations.

(e) The Centre for Support and Advancement of Learning and Teaching will submit external learning and teaching grant applications and award and fellowship nominations to funding bodies.

(f) Successful applicants or nominees who are recipients of grant funding or award or fellowship monies should comply with the Australian Code for the Responsible Conduct of Research.

4.4 Financial management and acquittal of Learning and Teaching grant funding

(a) Project leaders who will disburse internal and external grant monies must conform to the Financial Management Practices – Managerial Policy and protocols in the Financial Management Practices Manual relating to University expenditure.

(b) Project leaders who will disburse external grant monies must conform to the contract general terms and conditions relating to management of funding.

4.5 Allocation and disbursement of Learning and Teaching award and fellowship monies

(a) Recipient(s) of internal awards may disburse the funds to advance career development and/or further develop and disseminate good practice related to learning and teaching e.g. professional development activities, conference attendance, support for learning and teaching related research/projects or equipment purchase (subject to University policy, equipment will remain the property of the University).

(b) Recipient(s) of internal awards who will disburse award monies should conform to the Financial Management Practices – Managerial Policy and protocols in the Financial Management Practices Manual relating to University expenditure.

(c) Recipient(s) of external awards who will disburse award monies should be governed by the funding body's requirements as outlined in authoritative documents.

(d) In the case of a joint program award, an understanding between the University and any partner institutions will be required with regards to the sharing of award monies.
