/explore/policies-and-procedures/professional-development-program-pdp-operational-policy

1. Purpose of policy

This Policy defines the purposes, characteristics and conditions of the University's Professional Development Program (PDP).

2. Policy scope and application

This policy applies to all ongoing and fixed-term staff of the University.

3. Definitions

Please refer to the University's Glossary of Terms for policies and procedures.

4. Policy Statement

4.1 Principles

PDP provides opportunities for staff to broaden their experience and further develop their scholarship, teaching and research skills and professional knowledge by working collaboratively and in a sustained manner with scholars, teachers, researchers and professionals outside the University of the Sunshine Coast (USC). Through PDP, staff are able to undertake a significant project that is not normally available through other means within the University.

From the University's perspective, PDP is a means by which the performance and achievement of staff can be recognised and rewarded, a significant investment in staff and career development can be made, and strategic and productive partnerships can be developed. Also, the implementation and outcomes of PDP contribute to the achievement of University, School and Cost Centre strategic goals.

PDP is not a means by which staff are released from teaching in order to focus on research, study and other activities locally. Such release can be negotiated through Performance Planning and Review (PPR) processes and achieved through annual work allocation and workforce planning processes within the School or work area.

4.2 Eligibility to apply

4.2.1 Full-time and fractional (0.5 fractional appointment and above) staff with a minimum of three years' continuous service with USC at the closing date for applications, are eligible to apply for PDP. The exceptions are:

(a) Executive staff, Heads of Schools and Directors are not eligible to apply for PDP.

(b) Fixed-term staff are not eligible to apply for PDP unless there is sufficient time remaining in their current fixed-term appointment to ensure a return to the University from PDP for a period not less than the period of absence. PDP will not extend the term of the fixed-term appointment.

4.2.2 Staff are eligible to reapply for PDP after three years' continuous service from the end of the last PDP.

4.3 Duration

The duration of PDP is normally between four (4) and six (6) months.

4.4 Location of PDP

4.4.1 PDP must be undertaken in an organisation other than USC, for example, in another Australian or overseas university or in industry or in another relevant organisation. Fundamental characteristics of PDP are:

(a) working collaboratively and in a sustained manner with scholars, teachers, researchers or professionals outside USC; and

(b) broadening participants' experience by enabling them to immerse themselves in a different environment/s and organisational culture/s.

4.4.2 Applicants are encouraged to undertake PDP at partner universities.

4.5 Leave

4.5.1 PDP is deemed to include the pro rata amount of annual leave due and to be inclusive of University holidays occurring during the PDP. Public holidays declared for the location in which PDP is undertaken are deemed to be included in the PDP.
