

Stand out  
on the **global**  
business stage

Master of **Business Administration** / Master of **International Business**

Students must develop the skills needed to operate in this rapidly changing, increasingly global marketplace and understand the factors that contribute to the diversity and complexity of the international business environment. In today's business world, the demands of management require you to have an increasing range of skills in all facets of business. This program will allow you to broaden your managerial skills to prepare for senior management roles.

This program is designed to provide students with the knowledge and skills to operate in a global market place, including strategy development, cross-cultural management, international marketing and managing international supply chains and finance. Courses explore current business issues and allow you to learn to integrate knowledge and skills across functions and disciplines, while focusing on the application of theory and execution practice.

### Admission requirements

To be considered for admission candidates would normally be required to:

- possess an undergraduate degree from a recognised higher education institution or equivalent
- have at least two years relevant full-time equivalent work or other relevant experience; and
- candidates whose first language is other than English must demonstrate

an appropriate level of English proficiency. Refer to the English language requirements

### Career opportunities

Graduates of Master of Business Administration / Master of International Business program work in a diverse range of roles in industry and public sector organisations.
