

Kickstart

your business career in just one year

Diploma in Business Innovation

Start your career in business with a broad introduction to the core ideas that drive business growth, including entrepreneurship, marketing, management, and more.

Get hands-on experience by developing an innovative business idea, including market research, developing a project 'pitch', and writing a business plan. These practical tasks are designed to build the skills you'll need to stand out in the business world, including critical thinking, communication and time management.

You'll also learn how to use technology to achieve your study and career goals, including working with different technology platforms, managing information and creating an online profile.

On successful completion of the Diploma in Business Innovation, you will receive direct entry and 96 units of credit towards your choice of the following degrees:

- Bachelor of Business
- Bachelor of Business (Human Resource Management)
- Bachelor of Business (International Business)
- Bachelor of Business (Management)
- Bachelor of Business (Marketing)
- Bachelor of Business (Tourism, Leisure & Event Management)
