USC has moved into new and improved facilities in Building A4 at (SW1), 52 Merivale Street, South Brisbane. USC SouthBank offers some of USC’s most popular programs, delivered by our highly qualified teaching staff, in a big city location.

Set in a vibrant community, South Bank is a 15-minute walk to the heart of Brisbane’s CBD. It’s one of Brisbane’s most popular attractions with its famous city beach, 150 cultural and entertainment events each year, famous markets, diverse restaurants, and beautiful parklands, walkways and bike tracks. USC SouthBank is located close to public transport. There are buses, ferries and trains to get you easily to and from class.

USC SouthBank provides an outstanding learning environment with up-to-the-minute class rooms, technologies, and excellent teaching staff. USC is the only public university in Queensland awarded five stars for teaching quality by the Good Universities Guide eleven years in a row!

USC SouthBank programs on offer:

Bachelor of Business
This well-rounded program provides sought-after skills to make you highly competitive in today’s business world.

USC students gain a strong grounding in business studies with real world examples to prepare for a future career in their chosen field of business. Learn how to apply problem-solving techniques to business concepts, products and services.

Choose from a range of business majors and specialise in a field that really interests you. Pick from financial planning, human resource management, information systems, international business, management, marketing, or tourism, leisure and event management. With around 100 hours of real world work experience through an optional internship in the business sector, you will graduate ready to shine.

Important professional memberships may be available to students, depending on the major completed.

Bachelor of Commerce (Accounting)
A comprehensive program that creates a rewarding pathway to financial management and business advisory roles.

This program gives you the foundations in accountancy and the ability to successfully work in most areas of business and finance. It is an accredited, bankable qualification you can use in Australia and overseas.

Major in accounting and gain highly desired skills in financial management, business consulting and financial advising. You will learn fundamental accounting principles, management concepts and problem solving, and economics. Specialise in financial accounting, taxation, business law and practice, or auditing and professional practice.

Take advantage of opportunities to undertake an extensive internship in your final year. An amazing bonus is this program is fully accredited with CPA Australia, the Institute of Chartered Accountants in Australia and the Institute of Public Accountants. You will have career opportunities ranging from accountancy roles to stockbroking, financial management, taxation consultancy, auditing, banking, and business development management.
Bachelor of Business (Tourism, Leisure and Event Management)
This flexible program is your ticket to an exciting career in the fast-paced industries of travel and events management.

This program focuses on management and communication skills and provides training in how to create innovative tourism, leisure and event experiences. Develop confidence in how to respond to the latest industry trends and enhance your skills in public speaking, communication, time management and intercultural understanding.

The program prepares you to meet the new employment trends towards sustainable tourism, leisure and event management. Industry professionals are scheduled as guest speakers throughout the program to give you the latest insights on campaigns.

You will be eligible to apply for a 12-week employer-based internship which means you will acquire practical skills and build future employment contacts. This program opens doors to careers in accommodation or destination management, marketing, festivals and sporting events, conference management, and hospitality.

Master of Professional Accounting
This program earns you the professional recognition you deserve while upgrading your accounting skills and raising the bar on your career.

The MPA provides top level industry teaching on the latest in business and accountancy issues. You learn in a team environment where you share real-life business challenges and apply problem solving skills. You will develop new knowledge and skills for successful business operation, including in economics, business finance and law, research methods, and information and communication technology. The program covers accounting fundamentals, managerial finance, financial and corporate reporting, informatics, issues in auditing practice, taxation law and practice, the principles of economics and commercial law, and a research project. You can use your research project to advance your career by helping to solve a real world problem.

The MPA can earn you three prized professional memberships, including associate membership of CPA Australia, The Institute of Chartered Accountants and The Institute of Public Accountants. An MPA opens doors to work in senior management roles such as Chief Financial Officer, Senior Business Strategist, a Chartered Accountant, or as a leader in the fast growing wealth management sector.

Master of Health Promotion
This program involves helping people increase control over their own health and learning the determinants of wellbeing.

You will study a socio-ecological model of health and explore contemporary health promotion at individual, group, organisation, community and population levels.

The program will cover the core concepts of public health foundations, principles of health promotion; the assessment of health needs; and the planning, implementation and evaluation of health promotion programs, health promotion settings, epidemiology and quantitative and qualitative research approaches.

The Master of Health Promotion is designed for those looking to work in designated health promotion roles, or for those wanting to develop deeper knowledge and skills in health promotion.

* Estimated total tuition fees are based on 2017 rates and successful completion of the minimum number of courses required, within the programs standard duration. Tuition fees are reviewed each calendar year. The fee you must pay for a given semester/trimester is that which has been approved by USC for the calendar year within which the semester/trimester falls. Any increase in tuition fees from one calendar year to the next will be no more than 7%. All prices quoted are in Australian Dollars (A$). Program details are subject to change. Refer to www.usc.edu.au/international-student-rules for information about administrative fees that may apply.

** An additional application fee (A$180 for applications for programs commencing in 2017) applies to all English Language Program applications. The fee is payable once per application (extensions exempt).

How to apply

The following steps will enable you to apply and enrol at USC.

- You will also find step-by-step instructions and further information at www.usc.edu.au/internationalapply
- If you need help with the process, or have any questions, email international@usc.edu.au
- If you would like additional assistance with your application, you may like to apply through one of our representatives www.usc.edu.au/internationalreps
- If you are applying via one of USC’s partner institutions, please visit your home international office to assist you with submitting your USC application.

1. Choose your program and review the program fees
   Explore USC’s programs in this guide, or visit www.usc.edu.au/internationalprograms to find a program that suits your study and career goals.

2. Check entry requirements
   Check the entry, admission and English language requirements for your chosen program. An overview is available in this guide, or visit www.usc.edu.au/internationaladmissionrequirements
   This will help you decide if you need further study or to take an English language test before starting your degree program. If you are unsure whether you will meet USC’s requirements, please submit an application for USC International to assess.
   There is no application fee for USC programs (excluding English Language Programs).

3. Apply for admission
   Download an application form at www.usc.edu.au/internationalforms
   - Complete your application form
     On the USC application form you will need to indicate if you require Overseas Student Health Cover (OSHC). OSHC is compulsory for International students studying on a Student visa. Information on OSHC can be found at www.usc.edu.au/internationalsupport
   - Apply for academic credit transfer
     You may be eligible for academic credit transfer on the basis of prior studies.
     To apply, use the form available at www.usc.edu.au/internationalcredit
   - Gather your supporting documentation
     You must provide evidence of the qualifications that will meet the entry requirements of the program you have selected.
     Ensure all documents are certified copies, signed and stamped by a witnessing or government authority (or an approved USC representative if you are applying through a representative)
   - Submit your application
     HOW: Scan and email or post your completed application form and supporting documentation, including application for academic credit transfer (if applicable), to USC International.
     Email: study@usc.edu.au
     Post: USC International
     University of the Sunshine Coast—ML17
     MAROOCHYDORE DC QLD 4558 AUSTRALIA
     Fax: +61 7 5430 2836
     WHEN: USC accepts applications for most programs at any time of the year. However, you should try to submit your application as early as possible to allow you time to apply and be granted a visa which allows study in Australia.

4. What happens next?
   You will normally receive an email, acknowledging your application, within 48 hours. An offer is usually made within 72 hours. It may take longer if academic credit needs to be assessed, or your application is incomplete. Delays will occur, if you do not include all required supporting documentation.

   - Your offer
     Once your application has been assessed, and your eligibility for the program confirmed, you will receive an offer. If you have applied for academic credit transfer, you will also receive advice about any credit awarded.
I’m ready. What’s next?
