FIRST YEAR STARTS HERE

YOUR GUIDE TO STUDY AT USC

2019
When you study at USC, you become part of a university that invests in you. Our students are at the heart of everything we do – which is why our students and graduates are some of the happiest in Queensland.

Shine a light on your future with relevant, up-to-date course content and the hands-on skills you’ll need to make an impact in your field. As a USC student, you’ll learn from nationally recognised lecturers, work with cutting-edge technologies and be personally supported through real relationships with your teachers and peers.

You’ll also be encouraged to challenge convention, to pursue excellence and to transform the world around you.

Whether your passion is creativity or science, business or the environment, designing infrastructure or helping to shape the next generation – choose to rise, and shine.
A FIVE-STAR STUDENT EXPERIENCE
Every student matters to us, which is why we’re rated one of Australia’s best universities for overall student experience.
USC students come from diverse backgrounds but share the same goals: to discover their future path, to become the best they can be, and to make their mark on the world.

CAREER-FOCUSED LEARNING
No matter what kind of future you’re looking for, you can find it at USC. Our programs offer the choice and flexibility you need to get started on your career goal, whatever it may be.
Our approach to learning is hands-on, with lots of opportunities to engage with your lecturers and fellow students on campus.

HANDS-ON TRAINING
USC programs include a strong focus on the core skills you’ll need in the future workplace. No matter what you study, you’ll learn to communicate well, solve problems and think creatively. All programs include practical experience and internships.

WORLD-READY GRADUATES
As one of the world’s top 150 young universities,* we’re not limited by tradition or old ways of thinking. We encourage our students to challenge convention and to always ask the next question.
Nine out of 10 USC graduates are employed within four months of finishing their degree, and our graduates are currently using their skills and expertise to drive change in more than 5000 communities worldwide.

FLEXIBLE STUDY LOCATIONS
No matter where you are, there’s a USC experience close to you. We offer flexible study options at a network of locations across coastal South East Queensland.
We’re proud to have some of the most environmentally sustainable campuses in Australia, and we work hard to take care of our beautiful natural spaces.

A HIGH-PERFORMANCE CULTURE
We are committed to unlocking innovation and helping every student reach their full potential. Alongside their studies, our students excel in sport, music, entrepreneurship, performing arts, social change and more. We encourage and support high achievers through initiatives like the USC High Performance Sport Program, which helps athletes achieve sporting and academic excellence.

GROUND-BREAKING FACILITIES
USC is home to some of the most advanced learning facilities in Australia, including simulated nursing and paramedic labs, advanced engineering technologies, and a state-of-the-art CAVE2™ 3D visualisation studio.

A VISION FOR THE FUTURE
At USC, we are working to create a better future for our communities. We are committed to promoting the values of scholarship, discovery, sustainability, engagement, social justice and integrity.
From climate change adaptation to regional healthcare, renewable energy to young driver safety, our students and researchers tackle problems that directly impact our regions.
As a USC student, you’ll be part of a community that drives innovation and helps to build better lives.

USC locations

Many USC programs include courses that can be completed at any campus, and some are also available through off-campus study hubs. This means you’ll have the flexibility to choose a study location that works for you. Some degree programs let you complete your first year closer to home, then transition to another campus to finish your degree.

TRAVEL DISTANCES
FROM USC SUNSHINE COAST
- USC Fraser Coast: 2hr 30min
- USC Gympie: 1hr
- USC Noosa Hub: 45min
- USC Caboolture: 30min
- USC Moreton Bay (2020): 40min
- USC SouthBank: 1hr 10min

USC EXPRESS SHUTTLE SERVICE
The USC Express shuttle service connects some USC study locations to major transport hubs. USC Express shuttles operate during teaching weeks, and offer free travel for direct USC routes to all enrolled USC students.
USC Sunshine Coast

Choose from more than 100 undergraduate programs and study in some of Australia’s most innovative learning and visualisation facilities.

The campus includes the 3D CAVE2™ visualisation studio, simulated nursing and paramedic labs, specialised computer, science, manufacturing and design labs, nationally accredited sport science labs, and a range of interactive digital learning spaces.

- 90 Sippy Downs Drive, Sippy Downs
- A short walk from three private student accommodation complexes
- Free and paid student parking
- Regular Translink bus services to and from campus. Free USC Express Shuttle service between some USC study locations and major transport hubs during teaching weeks
- Secure bike stations with parking, lockers, repair kits, showers and toilet facilities
- Cafes and bookshop
- High Performance Sport Precinct with pool, gym, athletics track and stadium

USC Fraser Coast

Study in the heart of Hervey Bay, with easy access to USC’s K’gari Fraser Island Research and Learning Centre.

Facilities include interactive learning technologies, simulated nursing wards, specialist science laboratories, a student library, a Makerspace, collaborative study areas and computer labs.

- Full degree programs in animal ecology, business, commerce, human services, nursing and education. You can also study first-year courses from a range of other USC programs and then complete your degree at USC Sunshine Coast.
- 161 Old Maryborough Road, Hervey Bay
- A short walk from the Hervey Bay CBD
- Easily accessible by car and bicycle
- Regular Wide Bay Transit bus services between campus and all major shopping centres and suburbs of Hervey Bay and Maryborough
- Cafe

USC Gympie

Located in beautiful natural surrounds, USC Gympie connects to USC Sunshine Coast via a daily shuttle bus.

Campus facilities include interactive learning technologies, collaborative study areas and computer labs.

- Full degree programs in business, accounting, nursing and education. You can also study first-year courses from a range of other USC programs and then complete your degree at USC Sunshine Coast.
- 71 Cartwright Road, Gympie
- Free USC Express Shuttle service (three services daily) between USC Gympie (via Cooroy) and USC Sunshine Coast during Semester 1 and 2 teaching weeks
- Canteen
USC SouthBank
A vibrant and personalised study experience in the heart of the city.
Facilities include quiet study areas, a student commons and kitchen, a 24-hour computer lab, and IT and library services.
- Full degree programs in business, accounting, and tourism, leisure and event management
- 52 Merivale Street, South Brisbane
- 10 min walk to Brisbane CBD
- Close to three private student accommodation complexes
- Paid parking options a short walk away
- Easily accessible by public transport, including bus, train and CityCat ferry
- Accessible via bikeways and shared paths, with a Bike Hub on campus

USC Moreton Bay
USC’s purpose-built campus at Petrie will open in 2020.
USC Moreton Bay will provide a state-of-the-art campus experience, with interactive learning spaces, innovative green technologies and a research and innovation hub for key industries. The campus is anticipated to grow to 10,000 students in its first decade.
- Opening in 2020
- A full range of undergraduate programs
- 2 min walk from Petrie train station, connecting to the Caboolture and Redcliffe Peninsula rail lines
- Easy access from Gympie Road and the Bruce Highway
- Part of a thriving future precinct with cafes, shops, cultural events and sporting facilities

USC Caboolture
A hands-on campus experience halfway between Brisbane and the Sunshine Coast.
The campus includes collaborative learning spaces, interactive technologies, computer labs, student common rooms, sporting facilities, a campus library, and a simulated hospital learning environment for nursing students.
- Full degree programs in business, commerce, education and nursing, and first-year courses in creative industries
- 80-106 Tallon Street, Caboolture
- Easily accessible by public transport, including bus and train. Free shuttle bus service between the campus and Caboolture train station during semester
- Free USC Express Shuttle service (two services daily) between USC Caboolture and USC Sunshine Coast during Semester 1 and 2 teaching weeks
- Free student parking
There’s more than one way to get into uni. No matter what your situation is, if you’re keen to get started we can help you find a way.

Do you identify as an Aboriginal or Torres Strait Islander person?
You may be eligible for direct entry to a USC program based on your potential to succeed, under USC’s Indigenous Direct Entry and Access Scheme (IDEAS). It’s for people who didn’t finish school, didn’t get an OP or whose OP doesn’t meet the minimum selection threshold for their chosen program.

[usc.edu.au/ideas](http://usc.edu.au/ideas)

STILL IN SCHOOL?

YES

WHAT YEAR ARE YOU IN?

NO

Year 11 or 12

Year 12

Study uni courses while you complete Year 11 and 12 with USC’s Headstart program. Start working towards your degree and, if you successfully complete two Headstart courses, get a selection rank that you could use to get into uni.

[usc.edu.au/headstart](http://usc.edu.au/headstart)

Doing really well at school? Got what it takes to succeed at uni? You can get your place at USC sorted by November with an Early Offer Guarantee. You still submit a QTAC application, but there’s no need to wait for your Year 12 results.

[usc.edu.au/earlyoffer](http://usc.edu.au/earlyoffer)

Need to complete subject prerequisites, want to improve your eligibility or brush up on your study skills?

YES

NO

Your previous study or work experience may give you a selection rank, which can help you get into uni. You may also be eligible for credit towards a USC qualification, which can shorten the length of your degree.

USC’s Tertiary Preparation Pathway is a great way to brush up on your academic skills, complete courses to meet subject prerequisites, or get a taste of uni life before you commit to a full degree. Complete TPP and you may gain entry to most USC degrees. Apply for TPP via QTAC.

[usc.edu.au/tpp](http://usc.edu.au/tpp)

Most domestic applicants for a USC undergraduate program or TPP apply online through the Queensland Tertiary Admission Centre (QTAC). This includes current Year 12 students, and applicants who have been out of school for a while. Current USC students may be able to apply directly to USC.

[usc.edu.au](http://usc.edu.au)

YOU’RE READY TO APPLY!

QTAC APPLICATION
STEPS TO STUDY AT USC

1 Choose your program

Search this guide on PAGES 12–25 or visit usc.edu.au to find your program.

You can select up to SIX OPTIONS on your QTAC application. A USC program adviser can help you work out the best programs for you and how to make sure you’ll meet the entry requirements for your selections.

Study at the only FULL-SERVICE university campus on the Sunshine Coast, or at one of USC’s other study locations at Fraser Coast, Caboolture, South Bank, Gympie, or Noosa.

2 Check entry requirements

Check the entry requirements for your chosen degree on the USC website for the required OP/SELECTION RANK.

To receive an offer, you must have an OP or selection rank EQUAL TO OR ABOVE the minimum selection threshold* for your chosen program in a given offer round. Please note that the OP/Rank stated on the program summary is a guide only, and can vary between offer rounds.

You may be eligible for A BOOST TO YOUR OP OR SELECTION RANK under the Access USC Scheme.

To be eligible for entry, you must satisfy any SUBJECT PREREQUISITES specified for your chosen degree on the USC website. Recommended prior study is previous study that is recommended, but not required.

3 Apply

ApPLY ONLINE through the Queensland Tertiary Admissions Centre (QTAC).

Your application is assessed on your OP selection rank, work experience or prior study.

If you’re considering a GAP YEAR you still need to submit your QTAC application to secure your place.

You have the option to list up to six degree preferences on your application, with your preferred degree as FIRST PREFERENCE.

4 Accept offer

Once an offer round has occurred, you will be ADVISED BY EMAIL if you have been made an offer.

Log in to USC CENTRAL using your username and password provided in your offer email. Follow the prompts to accept your offer.

YOU MUST ALSO RESPOND DIRECTLY TO QTAC by the date specified. Log in to QTAC’s Application Services using the email address and password you used to create your QTAC account.

5 Get financial support

When studying at university, you will need to BUDGET for fees, study-related costs and living expenses. To help with your study costs you may be eligible for SCHOLARSHIPS or government assistance.

You can apply for most USC undergraduate scholarships and bursaries by completing ONE ONLINE APPLICATION (domestic students only). Visit usc.edu.au/scholarships for more information.

How to order your preferences

1 TWO PREFERRED COURSES

Courses you want to study the most

2 TWO BACK-UP COURSES

Less competitive courses that you want to study

3 TWO PATHWAY COURSES

Courses that will help you upgrade into a course you really want to study

Note: Most undergraduate applicants apply through QTAC.

* The minimum OP or selection rank required in order to be considered for entry to this program.
The decision to study at university can be daunting, but knowing you’re going to be supported through the entire process should reassure you that you’re making the right choice.

USC has a variety of support services available. From academic and careers support, through to counselling and financial support, you’ll have the confidence and assistance you need to give you the best chance to succeed in your studies.

**Academic and study support**
USC offers a range of learning resources and support, including online advice, one-to-one support and academic skills workshops.

**Careers and employment**
Arm yourself with the information and advice you need to get your career heading in the right direction.

**Health and wellbeing**
Take care of yourself while you’re studying with USC’s range of health and wellbeing services.

**Financial support**
It pays to invest in your future. There’s plenty of financial support available to help with your tuition fees and study costs.

**Indigenous Services**
Indigenous Services provides a culturally safe environment to build self-belief and promote a strong sense of belonging.

**Student Success Network**
USC has an active network of student groups and support services to help you settle into your studies and make the most of your university experience.

**Counselling**
A free, confidential counselling service with a qualified psychologist is available to all students.

**Disability and equity**
If your studies are affected by a disability, learning disorder, injury or illness, AccessAbility Services can provide assistance, advocacy and academic support.
Scholarships

Find a scholarship that's right for you.

Studying at uni is a personal investment – you’re investing time and effort in your future. There’s a financial cost too, and at USC we understand that sometimes it can be a challenge to make it all work.

A scholarship gives you freedom to focus on your study. USC scholarships aren’t just for high achievers – scholarships and bursaries are also awarded to students who might need financial assistance or who demonstrate other achievements, such as sporting excellence or community activities (like volunteering or fundraising).

You only need to submit one application form to be considered for the many USC scholarships on offer. Apply now and find the support you need to rise, and shine.

usc.edu.au/scholarships

In 2017, USC provided more than $2.5 million in scholarships and bursaries to students
If you are an enrolled student studying a full degree program, you may be eligible to study overseas.

We have more than 70 partner institutions worldwide and the opportunities are endless.

There are a number of scholarships and grants available to help with the cost, so don’t let money hold you back from this amazing opportunity.

- Improve your language skills
- Explore a new culture
- Gain valuable life skills
- Broaden your career options
- Enhance your employability
- Establish a global network of friends
- Gain credit towards your program

WHY STUDY OVERSEAS?

Travel overseas and experience different cultures while earning credit towards your USC degree!
Get work experience while you study with

WORK-INTEGRATED LEARNING (WIL)

All USC programs include hands-on training like placements, industry projects, fieldwork or professional work experience. WIL gives you the chance to put theory into practice, build skills that employers look for in graduates, establish job networks and find out what it’s like to work in your area of study. Some programs include overseas WIL opportunities, too.

Bachelor of Engineering (Civil) (Honours)

Location and QTAC code
Sunshine Coast 013731

MINIMUM SELECTION THRESHOLD
This is the minimum OP or selection rank required in order to be considered for entry to this program in 2018. Thresholds can change from year to year and offer round to offer round, so can only be used as a guide. Meeting the minimum selection threshold does not guarantee entry.

INTERNATIONAL STUDENT OPTION
An international student is any student who is not an Australian or New Zealand citizen, Australian permanent resident or Australian Humanitarian Visa holder.

DURATION
How long it will take you to complete the program if you study full time (usually four courses per semester). If you choose to study fewer courses per semester, it will take longer to complete your degree.

PREREQUISITES
Prerequisites are subjects you must have studied at school to be eligible for entry into a program. If you haven’t studied the prerequisites at school, you might be able to meet them through other tertiary study or bridging/enable courses. English (4.5A) means you have to have studied Senior English for 4 semesters and exited with a Sound Achievement or better. ‘Nil’ means there are no subject prerequisites, but you must still meet the minimum selection threshold and USC’s standard entry requirements. Some programs have additional entry requirements, too.

STUDY OPTIONS EXPLAINED

PROGRAM NAME
The name of the qualification. Most undergraduate programs are bachelor’s degrees, but there are also associate degrees and diplomas.

LOCATIONS
This shows you which USC locations you can study this program at. Find more info about USC study locations on pages 4–5.

QTAC CODE
Each program has a unique six-digit code that you’ll use in your QTAC application. There is a different QTAC code for each study location. Some locations have numbered notes – read these carefully for important info about your study options.

COMMENCE
At uni, a year is divided into two main semesters. Semester 1 starts in February, and Semester 2 starts in July. This tells you when you can start studying a program – some programs only start in Semester 1.

RECOMMENDED PRIOR STUDY
These are the subjects USC recommends you study at school to prepare for a program. These are ‘good to have’, but are not required for entry.

### Notes

1. In addition to being able to study all courses at USC Sunshine Coast, students may choose to complete some core and foundation business subjects at the USC Noosa Hub or USC Gympie. There may be a limited selection of subjects available at USC SouthBank.
2. In addition to being able to study all courses at USC Sunshine Coast, some first-year core and foundation business courses are offered at the USC Noosa Hub. The remainder of the degree is completed at USC Sunshine Coast.
3. Only first-year courses are offered at USC Gympie. The remainder of the degree is completed at USC Sunshine Coast.
4. There are a limited selection of elective courses available at USC SouthBank.
5. Limited majors available (Accounting, Management, Tourism, Leisure and Event Management) at USC Fraser Coast. Further elective courses are available at USC Sunshine Coast.
7. There are a limited selection of elective courses available at USC Caboolture.
8. OP/Rank figures refer to the minimum selection threshold.

---

“I didn’t give another university a second thought. It’s fantastic to be working for a company that lives and breathes my passion for surfing. My role varies a lot, but it’s not uncommon for a typical day to cover digital marketing, retail consumer marketing and more traditional marketing like events and athlete management.”

### NOTES

1. Only first-year courses are offered at USC Gympie. The remainder of the program must be completed at USC Sunshine Coast.
2. Semester 2 commencement not available at USC Gympie.
3. The option to study at USC Gympie is not available to international students on a Student Visa.
4. Practical courses in the program have physical components and location requirements.
5. Only first-year courses for the Biological Sciences major and Mathematical Sciences minor are offered at USC Fraser Coast in 2019. The remainder of the program must be completed at USC Sunshine Coast.
6. OP/Rank figures refer to the minimum selection threshold.
"One of the reasons I chose USC was because it was so close to home, and I am glad I did because it had a laid-back feel that I really enjoyed and I found my lecturers and tutors very approachable.

“It was very comforting starting my teaching career in a familiar environment. Many of my old teachers are still here and I enjoy being able to teach with, and learn from them.”

JACOB ALLEN
Bachelor of Education (Secondary) / Bachelor of Science graduate
Maths teacher (and former school vice-captain), Gympie State High
## Engineering and Science

### Bachelor of Animal Ecology

**Location and QTAC code**
- Sunshine Coast 013201
- Fraser Coast 019201

- Semester 1 or 2
- OP 18/Rank 61
- Available*
- 3 years full-time or equivalent part-time
- Nil
- English, Maths B or C, and one or more science subjects

### Associate Degree in Science

**Location and QTAC code**
- Sunshine Coast 013101

- Semester 1 or 2
- OP 19/Rank 60
- Available*
- 2 years full-time or equivalent part-time
- Nil
- English, Maths B or C, and at least one science subject (preferably Chemistry)

### Bachelor of Engineering (Civil) (Honours)

**Location and QTAC code**
- Sunshine Coast 013731

- Semester 1 or 2
- OP 19/Rank 66
- Available*
- 4 years full-time or equivalent part-time
- English (4,SA); Maths B (4,SA)
- Maths C, and Physics or Chemistry

### Bachelor of Engineering (Mechanical) (Honours)

**Location and QTAC code**
- Sunshine Coast 013741

- Semester 1 or 2
- OP 19/Rank 66
- Available*
- 4 years full-time or equivalent part-time
- English (4,SA); Maths B (4,SA)
- Maths C, and Physics or Chemistry

### Bachelor of Environmental Management

**Location and QTAC code**
- Sunshine Coast 013211

- Semester 1 or 2
- OP 18/Rank 61
- Available*
- 3 years full-time or equivalent part-time
- Nil
- English, Maths B or C, and at least one science subject

### Bachelor of Environmental Science

**Location and QTAC code**
- Sunshine Coast 013011
- Fraser Coast 019011

- Semester 1 or 2
- OP 18/Rank 61
- Available*
- 3 years full-time or equivalent part-time
- Nil
- English, Maths B or C, and at least one science subject (preferably Chemistry)
“I have always loved mathematics and physics, so it was only natural to choose engineering as it caters to both. USC has such a supportive and engaging environment. Any course is going to have its difficulties and struggles, but in the end you will be able to say that your accomplishment was all worth it. It’s the kind of degree I’ll know I worked hard for and will be proud to hold.”

QUEENIE LACANAU
Bachelor of Engineering (Civil) (Honours) student
Graham Tamblyn Scholarship in Engineering recipient
# Health, Nursing and Sport Sciences

**Bachelor of Biomedical Science**

- **Location and QTAC code**
  - Sunshine Coast 013051

  - Semester 1 or 2
  - OP 16/Rank 64
  - Available
  - 3 years full-time or equivalent part-time
  - Nil
  - English, Maths A, B or C, and at least one science subject (preferably Chemistry)

**Associate Degree in Medical Laboratory Science**

- **Location and QTAC code**
  - Sunshine Coast 013131

  - Semester 1 or 2
  - OP 1/Rank 68
  - Not available
  - 2 years full-time or equivalent part-time
  - Nil
  - English, Maths A, B or C, and at least one science subject (preferably Chemistry)

**Bachelor of Biomedical Science (Accelerated)**

  - Sunshine Coast 013221

  - Semester 1
  - OP 4/Rank 93
  - Not available
  - 2 years full-time
  - Nil
  - English, Maths A, B or C, and at least one of the sciences, preferably Chemistry

**Bachelor of Clinical Exercise Physiology**

- **Location and QTAC code**
  - Sunshine Coast 013251

  - Semester 1
  - OP 16/Rank 64
  - Available
  - 4 years full-time or equivalent part-time
  - Nil
  - English, Maths A, B or C, and at least one science subject

**Bachelor of Medical Science**

- **Location and QTAC code**
  - Sunshine Coast 013231

  - Semester 1
  - OP 1/Rank 99
  - Not available
  - 3 years full-time only
  - Nil
  - English (4, SA). Applicants must be current Year 12 students or have completed Year 12 within the last 3 years and have not completed any post-secondary study at Diploma level or higher. Entry requirements apply – refer to online listing.

**Bachelor of Dietetics**

- **Location and QTAC code**
  - Sunshine Coast 013121

  - Semester 1
  - OP 6/Rank 89
  - Not available
  - 4 years full-time or equivalent part-time
  - Nil
  - English, Maths B or C, at least one science subject

**Bachelor of Midwifery**

- **Location and QTAC code**
  - Sunshine Coast 013471

  - Semester 1
  - OP 2/Rank 96
  - Not available
  - 3 years full-time or equivalent part-time
  - Nil
  - English, Maths A, B or C, at least one science subject

**Bachelor of Health Science**

- **Location and QTAC code**
  - Sunshine Coast 013321

  - Semester 1 or Semester 2
  - OP 17/Rank 62
  - Available
  - 3 years full-time or equivalent part-time
  - Nil
  - English, Maths A, B or C, at least one science subject

**Bachelor of Nursing Science**

- **Location and QTAC code**
  - Sunshine Coast 013401
  - Gympie 013501
  - Fraser Coast 019101
  - Caboolture 018601

  - Semester 1 or 2
  - Sunshine Coast OP 11/Rank 76
  - Gympie OP 16/Rank 64
  - Fraser Coast OP 16/Rank 64
  - Caboolture OP 14/Rank 68
  - Available
  - Semester 1 commencement – 3 years full-time or equivalent part-time. Semester 2 commencement – 3.3 years full-time or equivalent part-time (3 years full-time plus an 8-week Nursing Internship)
  - Nil
  - English, Maths A, B or C, at least one science subject

---

4. International * Full-time option is available to international students on a Student Visa at select campuses. Refer to online listing for more information.
### Bachelor of Nutrition
- **Location and QTAC code**
  - Sunshine Coast 013351
- Semester 1 or 2
  - OP 17/Rank 62
  - 3 years full-time or equivalent part-time
  - Nil
  - English, Maths A, B or C, at least one science subject

### Bachelor of Occupational Therapy (Honours)
- **Location and QTAC code**
  - Sunshine Coast 013421
- Semester 1
  - OP 11/Rank 76
  - 4 years full-time or equivalent part-time
  - English (4 SA), plus one of Biology, Chemistry, Physics, Health Education or Physical Education (4 SA)

### Bachelor of Paramedic Science
- **Location and QTAC code**
  - Sunshine Coast 013431
- Semester 1
  - OP 13/Rank 71
  - 3 years full-time or equivalent part-time
  - Nil
  - English, Biology, at least one other science subject

### Bachelor of Sport and Exercise Science
- **Location and QTAC code**
  - Sunshine Coast 013041
- Semester 1 or 2
  - OP 17/Rank 62
  - 3 years full-time or equivalent part-time
  - Nil
  - English, Maths A, B or C, at least one science subject (preferably Chemistry)

### Bachelor of Sports Studies
- **Location and QTAC code**
  - Sunshine Coast 013171
- Semester 1 or 2
  - OP 18/Rank 61
  - 3 years full-time or equivalent part-time
  - Nil
  - English, Maths A, B or C, at least one science subject (preferably Chemistry)

### Diploma in Sport and Fitness
- **Location and QTAC code**
  - Sunshine Coast 013161
- Semester 1 or 2
  - OP 19/Rank 60
  - 1 year full-time or equivalent part-time
  - Nil
  - English (4 SA)

---

**Graduate entry**

**Bachelor of Midwifery (Honours)**
- **Location and QTAC code**
  - Sunshine Coast Direct application to USC
- Semester 1 or 2
  - 1 year full-time or equivalent part-time
  - Completion of an approved undergraduate degree. Entry requirements apply – refer to online listing

**Bachelor of Nursing Science (Graduate Entry)**
- **Location and QTAC code**
  - Sunshine Coast 013411
  - Caboolture 018661
- Semester 1 or 2
  - Available
  - 2.5 years full-time (2 years full-time plus an 8-week Nursing Internship) or equivalent part-time
  - Completion of an approved undergraduate degree. Entry requirements apply – refer to online listing
  - English

**Bachelor of Nursing Science (Honours)**
- **Location and QTAC code**
  - Sunshine Coast Direct application to USC
- Semester 1 or 2
  - Not available
  - 3 years full-time or equivalent part-time
  - Completion of an approved undergraduate degree. Entry requirements apply – refer to online listing

---

**NOTES**

1. Pending final approval.
2. Semester 1 commencement only for Prosthetics and Orthotics major.
3. Students commencing in Semester 2 will take 2.5 years to complete the program, as some semesters can only be taken part-time.
4. Completing this program within the specified (full-time) duration is based on studying 48 unit points per semester (normally 4 courses) and undertaking some courses in Session 4 (Winter) or Session 8 (Summer).
5. Some courses must be completed at the Sunshine Coast Health Institute.
6. Some courses must be completed in Session 4 (Winter) or Session 8 (Summer) and require students to commit to full-time unpaid employment.
7. Semester 1 commencement only available on a part-time basis. Commencement in Semester 1 will extend the program duration to 3 years minimum. The full-time program is 2 years full time plus an 8-week Nursing Internship.
8. Students will normally enrol in five (5) courses in each semester (60 units), as well as completing additional courses over Session 8, to enable completion of the Biomedic (Accel) program in 2 years.
9. OP/Rank figures refer to the minimum selection threshold.

---

I’ve always been intrigued by how the human body works. This passion, along with the desire to give back to my community, guided me to study Paramedic Science.

“USC’s first-class labs, modern paramedic equipment, well-structured content and experienced academic staff really enhanced my learning.

“USC prepared me well, not only for my assessments, but also to apply my knowledge when working on the road as a student paramedic.”

EMMA WILLIAMS
Bachelor of Paramedic Science graduate and University Medallist

---

**I had an amazing year abroad in 2016 – studying, gaining experience, making work connections – and I feel incredibly lucky to be part of the New Colombo Plan program and to share my experiences.**

**In Seoul, I helped facilitate a seminar on the incoming new anti-bribery legislation. With IUCN, I took part in the organisation’s World Conservation Congress in Hawaii where 10,000 delegates discussed pressing environmental issues. I was able to combine my interests in business and geography while getting insights into how important the Indo-Pacific region is to Australia’s future.**

### NOTES

1. It is recommended that students planning to study part-time apply for the Bachelor of Laws rather than a double degree.
2. In addition to being able to study all courses at USC Sunshine Coast, students may choose to complete some core and foundation Business subjects at the USC Noosa Hub or USC Gympie. There may be a limited selection of subjects available at USC SouthBank.
3. OP/Rank figures refer to the minimum selection threshold.

---

“I found the lecturers, courses and assessment so interesting. The subject on homicide was my favourite. It was intriguing to learn about behaviours and to see how other people think and what triggers people to commit crimes or react in a certain way.

“The placement course gave us the opportunity to see what it’s really like to work in particular roles, like in corrections or youth justice. I was placed in corrections working with prisoners on their literacy and numeracy skills and providing inductions to new prisoners.

“Having the placement experience gave me the upper hand when I applied for the role and now I work as an Education Officer at a corrections centre.”

REENE CAMILLERI
Bachelor of Criminology and Justice graduate

---

INTERNATIONAL * Full-time option is available to international students on a Student Visa at select campuses. Refer to online listing for more information.
“I couldn’t have been shortlisted for the Women in Law award without the support of my lecturers and tutors. I’m so proud to be part of the USC Law School and USC Law Students’ Association because we’ve gone from strength to strength in the few years since they began.

“My involvement with each of these associations has all been about connecting with people – not only industry professionals, but also with other students, as my future colleagues.”

JESSICA POPPLE
Bachelor of Laws / Bachelor of Arts graduate
Finalist for Law Student of the Year at the 2017 Women in Law awards
Member of USC Law Students’ Association, the Australian Law Students’ Association and the Women Lawyers Association of Queensland

“Studying engineering at USC included a lot of practical, hands-on learning. We spent a lot of time in the water lab and the physics lab seeing how things actually work, how they can break, and how we can expect them to be in the real world.

“I now work for Arup, a global engineering company, and having this practical knowledge has really helped me out in the field.”

JAMES CHENT
Bachelor of Engineering (Civil) (Honours) graduate
Graduate Engineer, Arup

“Studying such a variety of subjects at USC helped me to gain the knowledge and confidence I needed to prepare for my current job at Channel Seven. The event management and tourism side of my degree has given me an insight into current industry trends. It’s a fun, fast-paced industry and I am loving my role.

“The degree was very flexible and the inner-city campus in the middle of South Bank was so convenient that the three years of study flew by.”

ADDIE FENECH
Bachelor of Business (Tourism, Leisure and Event Management) graduate
Production assistant, Channel Seven Brisbane
