How to: Enrol in your courses and register your class times

1. Log in to USC Central: usccentral.usc.edu.au

2. Select Manage Enrolment
Enrol in your courses and register your class times

3. Search for courses by entering the course code (e.g. COR109) and study location. Select **Search**.

**Note:** you may have to choose from available enrolment terms (e.g. Semester 1) before you can search for courses.

4. Select the course.
Enrol in your courses and register your class times

5. You will need to select your preferred class time for each available Course Component (e.g. Laboratory, Lecture, Tutorial, Workshop).

6. Select your preferred class time.
Enrol in your courses and register your class times

7. Once you have registered class times for each Course Component, you will see a tick next to each of them. Select Add Enrolment.

8. You will receive a confirmation that the class has been added to your timetable.

Select Return to Course Search Page and repeat steps 3–8 to enrol in each of your courses.

To view your timetable, return to the USC Central homepage, and select Timetable.
