-  Emergency call point

HOW TO LOCATE ROOMS ON CAMPUS

The University has a naming convention for teaching rooms, auditoriums, computer laboratories and offices on campus. The numbering system identifies (in order) the building, the level, and the room number.

Example: A.G.48 is Building A, ground floor, room 48.

 **USC IS A SMOKE-FREE UNIVERSITY.** The USC smoking policy prohibits smoking on or in University premises and within any University vehicle.

HEALTH, SAFETY AND WELLBEING on campus is everyone's responsibility. Refer to usc.edu.au/hsw

All information on this map was correct at the time of publication. View this map online usc.edu.au/maps
