## Program requirements and notes

In order to graduate you must:

- Successfully complete 384 units as outlined in the Program Structure

### Program notes

- Completing this program within the specified (full-time) duration is based on studying 48 unit points per semester (normally 4 courses) and following the recommended study sequence
- The unit value of all courses is 12 units unless otherwise specified
- It is each student's responsibility to enrol correctly according to your course requisites, program rules and requirements and be aware of the academic calendar dates
- Courses within this program are assessed using a variety of assessment methods including essays, seminar presentations, reports, in-class tests and examinations. Not all courses will necessarily include all methods
- As part of your UniSC program, you may apply to Study Overseas to undertake courses with an overseas higher education provider.
- Refer to the Managing your progression page for help in understanding your program structure, reviewing your progress and planning remaining courses
- Receiving credit may not reduce the minimum duration to complete the program
