# Program requirements and notes

In order to graduate you must:

- Successfully complete 288 units as outlined in the Program Structure
- Complete no more than 10 introductory level (100 coded) courses (120 units), including the core courses

Program notes

- - Completing this program within the specified (full-time) duration is based on studying 48 unit points per semester (normally 4 courses) and following the recommended study sequence
  - The unit value of all courses is 12 units unless otherwise specified
  - It is each students responsibility to enrol correctly according to your course requisites, program rules and requirements and be aware of the academic calendar dates
  - Courses within this program are assessed using a variety of assessment methods which may include essays, seminar presentations, reports, in-class tests and examinations
  - As part of your UniSC program, you may apply to Study Overseas to undertake courses with an overseas higher education provider
  - Only a full-time study option is available to international students on a Student Visa
  - Refer to the Managing your progression page for help in understanding your program structure, reviewing your progress and planning remaining courses
  - Receiving credit may not reduce the minimum duration to complete the program
