Across all industries, sound financial management is one of the keys to business success. This flexible double degree gives you advanced economic, financial and legal knowledge, and lets you specialise in the areas of business that most interest you. In your Commerce studies, you will complete the required courses to qualify as an associate member of the Australian accounting professional bodies.

In this program you will:

- Study the foundations of commerce and enterprise, including business economics, accounting, business law and ethics, information systems and more
- Develop specialist skills through your choice of Business major, including Business Administration, Small Business Management, Marketing, Human Resource Management, and more
- Learn how to manage complex financial information, identify and analyse markets, and think creatively and critically to solve business problems
- Get hands-on experience through an industry project or placement
