Program requirements and notes

In order to graduate you must:

- Successfully complete 384 units as outlined in the Program Structure
- The total number of introductory level courses cannot exceed 16 (192 units)
- With the approval of the Program Coordinator, students may replace a specified major or minor with a study component deemed to be equivalent commenced or completed at another university or comparable tertiary institution.
- If there is overlap between courses in majors and/or required courses, students must select courses from the undergraduate elective course options to meet the total program unit value.

Program notes

- Please note that not all study components and/or combinations of study components included in this program may be able to be completed in the minimum duration. Please contact the Program Coordinator if you require written confirmation prior to accepting a place in this program.
- Completing this program within the specified (full-time) duration is based on studying 48 unit points per semester (normally 4 courses) and following the recommended study sequence
- The unit value of all courses is 12 units unless otherwise specified
- It is each students responsibility to enrol correctly according to your course requisites, program rules and requirements and be aware of the academic calendar dates
- Courses within this program are assessed using a variety of assessment methods which may include essays, seminar presentations, reports, in-class tests and examinations
- As part of your UniSC program, you may apply to Study Overseas to undertake courses with an overseas higher education provider
- Only a full-time study option is available to international students on a Student Visa
- Refer to the Managing your progression page for help in understanding your program structure, reviewing your progress and planning remaining courses.

WIL notes

- Considering work integrated learning (WIL) in your final year of study? Refer to School of Business and Creative Industries Work Integrated Learning (WIL) Program
