

Understand the nature and causes of **crime**

Bachelor of Criminology and Justice

This program gives you a strong understanding of Australia's criminal justice system, including law enforcement, crime policy, the courts, and custodial and community corrections. Explore the motivations and consequences of criminal behaviour, along with questions of social justice, ethics and law reform.

In this program you will:

- Understand legal institutions and processes, and examine fair and effective methods of crime prevention
- Learn how to research crime-related issues and develop problem-solving skills
- Choose from specialist courses in criminal profiling, cybercrime, international justice, youth justice, forensic science and more
- Have the chance to complete a professional placement in your final year

Career opportunities

- Police or law enforcement officer
- Custodial corrections officer
- Community corrections officer
- Criminologist/crime researcher
- Security/intelligence analyst
- Youth justice officer
- Criminal justice policy officer
