

Bachelor of Design

LOCATION	START
Sunshine Coast	Semester 1, Semester 2
Moreton Bay	Semester 1, Semester 2

Discover your creativity and develop your critical thinking through experimentation in an inclusive, exploratory environment. Design plays an increasingly important role in the world, with opportunities to specialise in interactive media, digital culture, game design or visual communication. Become equipped with theory, creative skills, cultural awareness and critical thinking to shape a rapidly changing future.

Explore majors and minors for the Bachelor of Design.

In this program you will:

- Learn about latest interdisciplinary design practices and new technologies
- Work with industry experts and organisations to deliver projects for diverse audiences
- Use problem-solving strategies, creativity, and theory in solving challenges
- Apply design thinking, ethical practice, and inclusive design to innovate in diverse contexts
- Develop culturally sensitivity, embrace sustainability, acknowledge Indigenous protocols and perspectives
