Program requirements and notes

In order to graduate you must:

- Successfully complete 384 units as outlined in the Program Structure
- EDU423 and EDU415 *MUST* be studied in your final semester of study with your final Professional Experience (EDU408)
- Successfully complete the Literacy and Numeracy Test for Initial Teacher Education students. Further information on the test, including sample test questions and registration information, please visit the Australian Council of Educational Research website.

Program notes

- Completing this program within the specified (full-time) duration is based on studying 48 unit points per semester (normally 4 courses) and following the recommended study sequence

- The unit value of all courses is 12 units unless otherwise specified
- It is each student's responsibility to enrol correctly according to your course requisites, program rules and requirements and be aware of the academic calendar dates
- Cross-institutional study is not permitted for the Bachelor of Education (Early Childhood)
- Courses within this program are assessed using a variety of assessment methods which may include essays, seminar presentations, reports, in-class tests and examinations
- The Study Overseas Program is not currently available to Early Childhood students
- Only a full-time study option is available to international students on a Student Visa
- Refer to the Managing your progression page for help in understanding your program structure, reviewing your progress and planning remaining courses.

WIL notes

To commence field education placement you must:

- Hold a valid Blue Card, throughout the duration of your program, issued by the Commission for Children and Young People and Child Guardian (CCYPCG). You should allow 12 weeks for CCYPCG to issue the card. Note: students who do not possess a valid Blue Card will be unable to complete the field education component of their program and will be unable to meet graduation requirements
- Have a National Criminal History check (by Queensland Police Service or other state/territory authority)
- Be willing to travel to attend field education placements
- Please note, while every endeavour will be made to place students for field education placements in a given semester, this is not guaranteed, and students may need to enrol at a later time should a position at an agency be unavailable in the preferred semester
- Visit Education - Professional Experience (PEX) for more information regarding requirements for placements

It is no longer a requirement that students in Bachelor of Education (Early Childhood) are fully vaccinated against COVID-19.

Please note that some placement host organisations have chosen to continue requiring COVID-19 vaccination. If you are not fully vaccinated, it is important to know that placement opportunities in your program may be limited and may result in a delay to your placement.

UniSC still strongly recommends that all students undertaking placement are fully vaccinated and provide evidence of this vaccination status to the University.
