## Bachelor of Education (Secondary) / Bachelor of Arts

Learn how to combine your knowledge of communication and the arts with teaching skills in this double degree, where you can specialise in two teaching areas\* $\Delta$  such as English, geography, history, drama, Japanese#, music, screen media, psychology#, biology, chemistry or mathematics.

You will study how to plan lessons, assess students, and manage a classroom of students in Years 7-12. You will have the opportunity to travel to rural and remote areas for a teaching placement and learn to teach a diverse range of students in varied educational settings.

In this program you will:

- Learn how to plan lessons, assess students, and manage a classroom
- Link theory and practice through 80 days of supervised professional experience in Queensland schools
- Engage with community projects through 30 hours wider field experience with children, families and communities
- Be provided the opportunity to experience different school settings and learners by taking a trip to rural and remote areas

Graduates are eligible to become members of the Queensland College of Teachers.

Prior to entry, students will need to:

- Complete an online questionnaire to demonstrate your motivation for teaching
- Submit a 600-1000-word personal statement on why you would make a great teacher

- Obtain a Blue Card before starting supervised professional experience

### External requirement:

Complete the Literacy and Numeracy Test for Initial Teacher Education

### Career opportunities:

- Secondary school teacher
