Inspire a love of the arts through teaching. Specialise in two teaching areas such as English, geography, history, drama, Japanese, music, screen media, psychology, biology, chemistry or mathematics. You will study how to plan lessons, assess students, and manage a classroom of students in Years 7-12.

In this program you will:

- Learn how to plan lessons, assess students, and manage a classroom
- Be provided the opportunity to experience different school settings and learners by taking a trip to rural and remote areas
- Gain eligibility to become members of the Queensland College of Teachers

Career opportunities

- Secondary school teacher
- Community education centres
- Private practice tutor
- Education consultant
- Education policy analyst
- Youth support worker
- Teacher of English overseas

Post admission requirements

Students must complete 80 days of supervised professional experience, completed as full-time blocks as program approved. Most of this experience must be completed in a Queensland school. Students must undergo a criminal history check and obtain a Suitability Card before the first workplace experience, refer to institution.

Students undertaking an Initial Teacher Education program are expected to undertake and meet the benchmark in the Personal Literacy and Numeracy Test for Initial Teacher Educators (ITE). Students must complete and pass the Literacy and Numeracy Test for Initial Teacher Education (LANTITE) prior to graduating.
