

Bachelor of Information and Communications Technology

LOCATION	START
Sunshine Coast	Semester 1, Semester 2
Moreton Bay	Semester 1, Semester 2

We live in an ICT age: computers, smartphones and networks are used by everyone, everywhere, as an enabler and driver of innovation. There is great demand for graduates who understand computing technology and create innovative solutions to help people and benefit organisations.

In this program you will:

- Develop vital skills in problem solving, designing artificial worlds and making ideas come to life while working on cutting-edge technology
- Study the foundations of computing and business, along with courses in cyber security, programming and project management
- Develop specialist skills in data management, and in developing and using information systems to solve business problems
- Build hands-on experience through a professional work integrated learning course
- Complete placements designed to get you job-ready
- Gain industry certification (Microsoft, ITS, Cisco and more) at no extra cost as you complete courses

Career opportunities

- Computer and information systems manager
- Network and computer systems administrator
- Database administrator
- Software developer
- Computer systems analyst

Program structure

Introductory courses (8) 96 units

BUS104 Discovering Management
DES105 Design Methods
ICT110 Introduction to Data Science
ICT112 Programming Fundamentals
ICT115 Introduction to Systems Design
ICT120 Computer Networks
SEC100 Foundations of Computer Security
SCI110 Science Research Methods

CRICOS Code
048930F

Duration
3 years

Only a full-time option is available to international students on a Student visa. Online programs are not available to Student visa holders.

Indicative 2023 fees
A\$24,800

Annual fee
A\$74,400

Estimated total fee

Recommended prior study
English; General Maths, Maths Methods or Specialist Maths

Delivery mode
Blended Learning

Total courses
24

Total units
288

UniSC program code
BU381

usc.edu.au/bu381

University of the Sunshine Coast | CRICOS Provider Number: 01595D | Correct as at 24 September 2023

If you were issued a UniSC Letter of Offer, it will specify your study location and teaching period of offer. Study options and teaching period of offer can vary depending on the study location. For full details, visit usc.edu.au.

Developing courses (6) 72 units

DES221 Introduction to Interactive Media

DES222 Responsive Design and Technology

DIG202 Bringing Data to Life

ENS253 Geographic Information Science and Technology

ICT200 Systems Analysis and Design

ICT211 Database Design

Graduate courses (5) 60 units

ENG302 Engineering Project Management

ICT320 Database Programming

ICT342 ICT Industry Project

ICT351 ICT Professional Practice

SEC303 Device & Network Security

Elective courses (5) 60 units

Select 5 elective courses (60 units) from the undergraduate elective course options.

Note: Program structures are subject to change. Not all UniSC courses are available on every UniSC campus.
