### Bachelor of

# Information and Communications Technology

# Sunshine Coast, Semester 2 2022

## Program structure

Introductory courses (8) 96 units

**BUS104 Discovering Management** 

**DES105 Design Methods** 

ICT110 Introduction to Data Science

ICT112 Programming Fundamentals

ICT115 Introduction to Systems Design

ICT120 Computer Networks

SEC100 Foundations of Computer Security

SCI110 Science Research Methods

Developing courses (6) 72 units

**DES221 Introduction to Interactive Media** 

DES222 Responsive Design and Technology

DIG202 Bringing Data to Life

ENS253 Geographic Information Science and Technology

ICT200 Systems Analysis and Design

ICT211 Database Design

Graduate courses (5) 60 units

**ENG302 Engineering Project Management** 

ICT320 Database Programming

ICT342 ICT Industry Project

ICT351 ICT Professional Practice

SEC303 Device & Network Security

Elective courses (5) 60 units

Select 5 elective courses (60 units) from the undergraduate elective course options.

Note: Program structures are subject to change. Not all UniSC courses are available on every UniSC campus.

Total units: 288

PLUS select 1 elective course from the undergraduate elective course options.

### usc.edu.au/bu381

### Semester 1

COURSE	SEMESTER OF OFFER (SUNSHINE COAST)	UNITS	REQUISITES
ENS253 Geographic Information Science and Technology	Semester 1	12	
ICT342 ICT Industry Project	• Semester 1, Semester 2	12	Pre: 192 units completed
ICT351 ICT Professional Practice	Semester 1	12	Pre: ICT221 or ICT220 or ICT211

PLUS select 1 elective course from the undergraduate elective course options.

# Program requirements and notes

In order to graduate you must:

- Successfully complete 288 units as outlined in the Program Structure
- Complete no more than 10 introductory level (100 coded) courses

### Program notes

- Completing this program within the specified (full-time) duration is based on studying 48 unit points per semester (normally 4 courses) and following the recommended study sequence
- The unit value of all courses is 12 units unless otherwise specified
- It is each students responsibility to enrol correctly according to your course requisites, program rules and requirements and be aware of the academic calendar dates
- Courses within this program are assessed using a variety of assessment methods including essays, seminar presentations, reports, in-class tests and examinations. Not all courses will necessarily include all methods
- · As part of your UniSC program, you may apply to Study Overseas to undertake courses with an overseas higher education provider
- ullet Only a full-time study option is available to international students on a Student Visa
- Refer to the Managing your progression page for help in understanding your program structure, reviewing your progress and planning remaining courses
