

Combine your **legal** knowledge and communication skills

Bachelor of **Laws** / Bachelor of **Arts**

Explore your intellectual interests with a flexible double degree that combines in-depth legal knowledge with advanced communication, critical thinking and writing skills. You'll study all the required academic courses for admission as a legal practitioner in Australia, while you also follow your passion and build your own degree, through your choice of a wide range of Arts specialisations.

In this program you will:

- Study the foundations of the Australian legal system, including criminal and commercial law, torts, contracts, property law and constitutional law
- Develop specialist knowledge in the Arts areas that interest you, including English, history, geography, politics and international relations, sociology and more
- Build practical legal experience by preparing advice, present legal arguments and observing court proceedings
- Build advanced critical thinking, research and writing skills

Law Honours is available, usually without extending the time required to complete your degree.
