Program requirements and notes

usc.edu.au/sc440

University of the Sunshine Coast | CRICOS Provider Number: 01595D | Correct as at 22 January 2025
Study options and teaching period of offer can vary depending on the study location. For full details, visit usc.edu.au.

In order to graduate you must:

- Successfully complete 384 units as outlined in the Program Structure.
- Most courses are taught from Sippy Downs but some courses in this program may be taught at the Sunshine Coast Health Institute
- Preparing for study at SCHI information
- Due to external accreditation and sequencing courses within the program, pre-requisites cannot be waived. It is not possible to study 300 level courses prior to completing all the 200 level courses as this professional externally accredited program is developmentally sequential.
- Work experience hours cannot be credited towards placement or any other courses as per UniSC policy for RPL (Recognition of Prior Learning). There are no specified RPL credits, no unspecified RPL credits or block RPL credits.
- The Study Overseas Program is not currently available to occupational therapy students
- Cross-institutional study is not permitted for OCC-coded courses.

Program notes

- Completing this program within the specified (full-time) duration is based on studying 48 unit points per semester (normally 4 courses) and following the recommended study sequence
- The unit value of all courses is 12 units unless otherwise specified
- It is each students responsibility to enrol correctly according to your course requisites, program rules and requirements and be aware of the academic calendar dates
- Refer to the Managing your progression page for help in understanding your program structure, reviewing your progress and planning remaining courses.

WIL notes

- Each student needs to complete 1000 hours of practice education (Work integrated learning). As part of this requirement, students are to attend worksites on a full-time basis for 10 weeks at a time. These worksites may be outside of the Sunshine Coast but within Queensland.
- Hold a valid Blue Card throughout the duration of your program.
- Hold a valid national police check throughout the duration of your program.
- Provide evidence of required vaccinations and/or immunity.
- Comply with the requirement for annual fit testing of an approved respirator.
- Hold current Senior First Aid and CPR certificates (currency of certification is to be maintained throughout the program).
- Purchase the required OT student uniform.
- Comply with QLD health infection control standards during placements (including the use of PPE & dress standards for infection control).
- For more information on mandatory requirements, refer to Occupational Therapy - Placements.
