Program requirements and notes

Program requirements

In order to graduate you must:

- Successfully complete 384 units as outlined in the Program Structure
- Entry to the fourth year of the Bachelor of Psychology (Honours) requires a grade point average (GPA) of 5.5 in the developing and graduate level (200/300 coded) PSY courses

Program notes

- A minimum GPA of 5.5 in the developing and graduate level (200/300 coded) PSY courses must be achieved at the end of third year for a student to be automatically allowed to continue to the fourth year honours component. Students who do not meet this requirement will be exited from the Bachelor of Psychology (Honours) into the Bachelor of Social Science (Psychology) with full credit for all studies successfully completed
- Completing this program within the specified (full-time) duration is based on studying 48 unit points per semester (normally 4 courses) and following the recommended study sequence
- The unit value of all courses is 12 units unless otherwise specified
- It is each student's responsibility to enrol correctly according to your course requisites, program rules and requirements and be aware of the academic calendar dates
- Courses within this program are assessed using a variety of assessment methods including essays, seminar presentations, reports, in-class tests and examinations. Not all courses will necessarily include all methods
- As part of your USC program, you may apply to Study Overseas to undertake courses with an overseas higher education provider
- Only a full-time study option is available to international students on a Student Visa
- Refer to the Managing your progression page for help in understanding your program structure, reviewing your progress and planning remaining courses.
