

# Bachelor of Urban Design and Town Planning (Honours)

## LOCATION

Sunshine Coast

## START

Semester 1, Semester 2

Plan better spaces and land uses for our next generation. A career in urban design and town planning enables you to plan and design good places for people to live, work and play. This is not just a planning degree.

In this program you will:

- Manage urban growth and plan for sustainable development, infrastructure and services
- Choose a specialisation such as environmental management or geospatial analysis
- Get hands-on experience through practical projects each year and a five-week full-time placement in final year
- Put theory into practice, make connections in the industry and impress potential employers
- Undertake placement in local government, state government, planning consultancies, non-government or environmental organisations

### Career opportunities
