UniSC's Study Abroad program is a short semester-based program, allowing you the flexibility to study three or four courses (36 or 48 units) over one semester.

In this program you will:

- Experience a great option for high school leavers who want to study abroad without committing to a degree, or want to briefly study abroad, while earning credit towards a home degree
- Be provided with life-changing opportunities, but also an academic and cultural adventure – allowing you to move overseas, continue studying, while fully experiencing Australian culture
- Be located in the sunny state of Queensland on Australia's east coast. USC is only a short drive north of the state's capital, Brisbane

Career opportunities

- UniSC Sunshine Coast held a Welcome to Australia event specifically for international students during Connect Week (Week 2). International students were greeted by Australian native animals whilst enjoying a free aussie BBQ and social sports
