Program requirements and notes

In order to graduate you must:

- Students are required to successfully complete 144 units in the Master of Education program structure
- Please note this program is designed to be studied part-time

Program notes

- Completing this program within the specified (full-time) duration is based on studying 48 unit points per semester (normally 4 courses) and following the recommended study sequence
- The unit value of all courses is 12 units unless otherwise specified
- It is each students responsibility to enrol correctly according to your course requisites, program rules and requirements and be aware of the academic calendar dates
- Students admitted to the program with a completed Graduate Diploma in Education (Secondary) (AQF Level 8) or Master of Teaching in Education (AQF Level 9) may be eligible to apply for up to 48 units of credit towards the Advanced Education Studies specialisation
- Students admitted to the program on the basis of completion of the Graduate Certificate in Education will not be eligible for credit. Students will be required to select alternative elective courses at Masters level with Program Leader approval
- Refer to the Managing your progression page for help in understanding your program structure, reviewing your progress and planning remaining courses.
- Note:
The Master of Education is a postgraduate qualification designed for educators currently working in the field. It does not qualify graduates for teacher registration. Online study requires students to virtually attend weekly live tutorial sessions, generally held after 5pm AEST during teaching periods.
