SCI701 Research/Industry Dissertation 2	• Trimester 1, Trimester 2	24	SEC601 and Enrolled in SC509, SC705, SC517 or BU708 Pre: Completed 84 credits which must include PRM701 Co: BUS703 or BUS512 or BUS514 or BUS515 or HLT701 or PUB708
---	----------------------------	----	--

Program requirements and notes

In order to graduate you must:

- Successfully complete 192 units as outlined in the Program Structure

Program notes

- Completing this program within the specified (full-time) duration is based on studying 48 units per semester (normally 4 courses) and following the recommended study sequence
- The unit value of all courses is 12 units unless otherwise specified
- It is each students responsibility to enrol correctly according to your course requisites, program rules and requirements and be aware of the academic calendar dates
- Courses within this program are assessed using a variety of assessment methods which may include essays, seminar presentations, reports, in-class tests and examinations
- Refer to the Managing your progression page for help in understanding your program structure, reviewing your progress and planning remaining courses.
