

Master of Psychology (Clinical)

LOCATION

START

Sunshine Coast

Semester 1

Meet the requirements for registration as a psychologist. Learn at the Thompson Institute, a world-class hub for mental health research, teaching and clinical services, close to the Sunshine Coast University Hospital. The Institute addresses mental health in the community, particularly for youth, adolescents and older community members.

In this program you will:

- Complete three major components—coursework in professional and clinical psychology, supervised practicum placements, and a research project and thesis
- Participate in placements involving supervised working as a provisional psychologist, in numerous settings, beginning in the University's Psychology Clinic
- Review relevant literature, design and conduct a study, data collection and analysis, and prepare a thesis
